#### Remarks

Built in 2023, this stunning 2-story contemporary home offers 2,598 sqft of modern living space with 4 bedrooms, 2.5 baths, and an oversized 2.5-car garage. From the moment you step inside, you're greeted by a beautiful open entryway and a spacious formal office perfect for working from home. The main level features an expansive open-concept layout with a light-filled family room that flows seamlessly into the dining area, which overlooks the backyard and provides direct access to a large deck ideal for entertaining. The gourmet kitchen is pristine and stylish, complete with center island featuring additional seating and storage, stainless steel appliances, a gas cooktop, granite countertops, and all the modern finishes you expect. A built-in counter and cabinet just off the kitchen create the perfect space for a coffee or wine bar. Upstairs, the private bedroom level includes a luxurious primary suite with a walk-in closet and a spa-like ensuite bath with a sleek glass walk-in shower and oversized tub. Three additional spacious bedrooms share a well-appointed full bath, and a large loft area offers the perfect space for family lounging or a second living area. A walk-out basement offers endless possibilities for finishing, adding even more value and living space. Outside, enjoy a beautifully
